

Hello All,

EGSN (EGS Network)

Regrettably the time has come 4 Isaias Aforki 2 step down & relinquish power. It's in the best interest of Eritrea & people.

#IsaiasMustGo

*Now is the time to act. Now is the time to go for it. Now, now, now, now, NOW!*

"What we are trying to do is send out "tweets", generating momentum on Eritrea. Anyone who sends a tweet could put #IsaiasMustGo at the end of the message and this allows all the Eritrea messages to be linked. If we get enough people tweeting with #IsaiasMustGo at the end of a message (and over a relatively short period of time) then #IsaiasMustGo will "trend" and gain momentum all by itself.

To begin though we just need anyone who is on Twitter to start posting messages about Eritrea with #IsaiasMustGo at the end :) "sent from MJ
